

Mai Khaolak Beach Resort and Spa / Tui Blue Mai Khao Lak Beach Resort and Spa

Wheel Chair Access Guide

Mai Khao Lak Management Team

Introduction

This guide provides information on wheelchair accessibility within the property of *Mai Khao Lak Beach Resort and Spa*. We are proud to state that most areas of the resort are wheelchair accessible, with ramps available in various public spaces. For guest rooms, ramps can also be arranged upon request.

Please note that the resort does not provide wheelchair pushing or personal caregiving services. However, our staff members are always willing to offer assistance when needed.

Main Lobby Area

Venue Photos

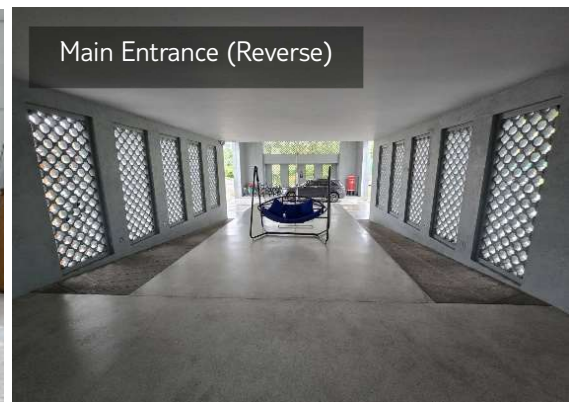

Entrance area (Main Lobby)

Our Roundabout connects to open entrance area, which provide large space for wheel chair to access in and out from the vehicle.

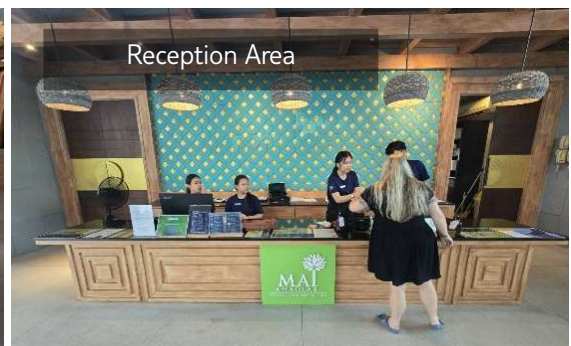

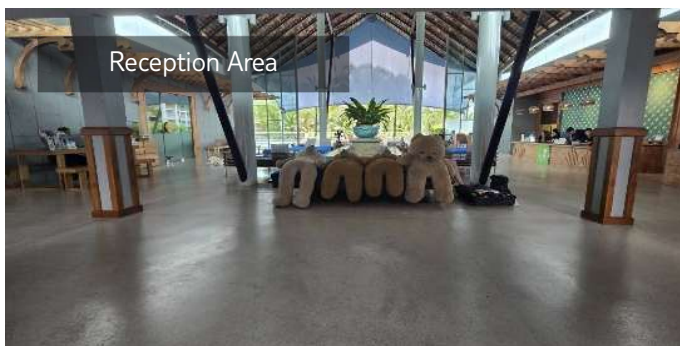

There are also ramp provided on the entrance to the Main Lobby Area, which allows easy wheel chair access.

After enter, there are also two large ramps on the side of stairs going upwards the Reception Area.

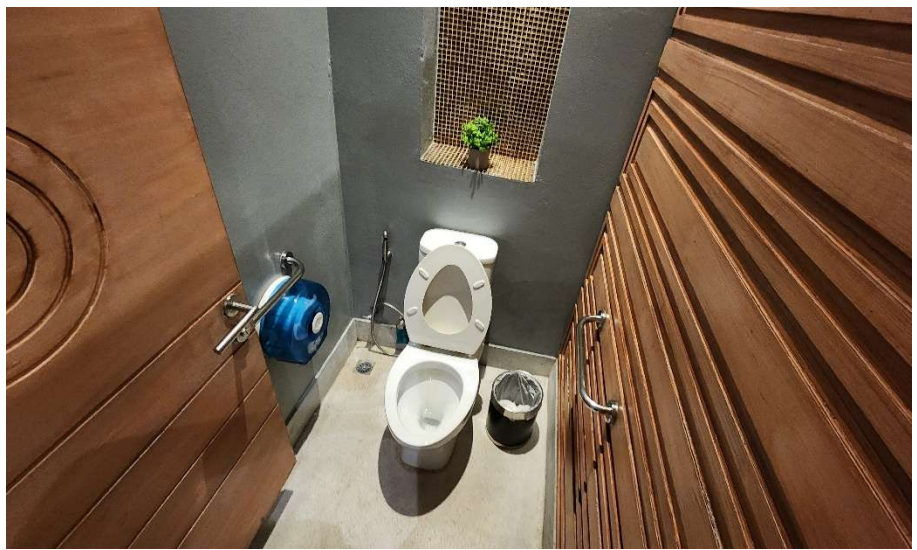

A spacious area designed for easy wheelchair access, including convenient space for parking and opening a wheelchair.

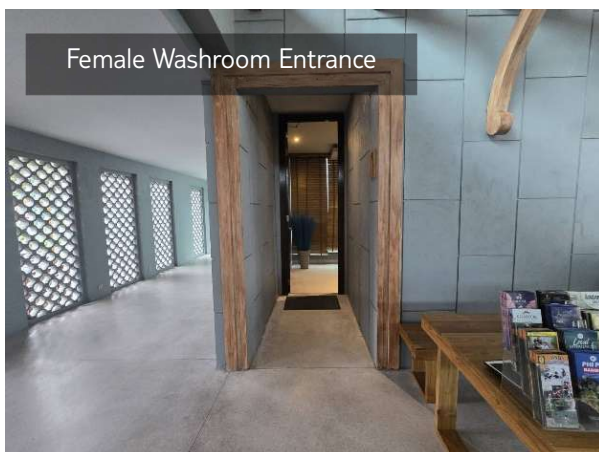

Lobby Washroom

Wheel Chair Accessible toilet with two bars on the side.

Available in both male and female Washroom

Main Building

Getting around Main Building (Near Main Lobby)

Corridor Area of the Main Building. There will be elevator upon the right turn.

Buggy Service On call 24 hours for with in resort transportation

Please dial '0' from your room's telephone for service.

Front of Room (Deluxe Premium Pool Access)

Photos of the room shown:

"Deluxe Premium Suite Pool Access"

Ramps are not permanently placed at the room entrance. However, if we are informed in advance that a guest will be using a wheelchair, a ramp will be installed and ready upon arrival. This can be applied to other room types excluding villa type room (Garden Villa and Pool Vila).

Bathroom Area (Main Building – Deluxe Premium Pool Access)

There are two metal bars installed on each side of the toilet.

Please do not put full bodyweight or cling on to the glass door as it is extremely dangerous and may cause injury if the glass shatters.

Adults Only Building

Open space design like the main Lobby entrance with ramps installed on the right side of the entrance. The It is located far from the Main Lobby, but the entrance here is large enough for cars and vans to enter. So, the driver is able to drop the wheel chair users off here as well.

If you need further assistance, discussion or question, please do not hesitate to contact us!
